National Webinar, 2023

on

Dr. B. R. Ambedkar and Women Empowerment

Organized by Department of Political Science
Ambedkar College, Fatikroy, Unakoti, Tripura– 799290

Summary of the Webinar

The main purpose of the webinar is not to inculcate misandrist values but to actualize gender specific structure to ease the path of equality for 'half the sky'. Although women have made remarkable development in academia but it is very difficult to quantify. Family responsibility, motherhood, lack of social acceptance and self motivation, lack of gender friendly policies, sexual harassment at work place and most importantly male chauvinism against women leadership are the guiding factors behind the poor leadership roles of women in Higher education in the context of Dr. B.R Ambedkar.

The Programme started with welcome address by the organizing Secretary. Prof. Vikas Jambulkar has given Keynote address and analytically read out the necessity of the webinar. Dr Jiban Das nicely discussed on the topic. The Principal-in-charge, Dr Subrata Sharma has given the vote of thanks and formally ended the webinar. Overall the webinar was of great success.

Ambedkar College

A Govt. Degree College Affiliated to Tripura University
